Message from the Mayor

On behalf of the Town of Erie, I would like to express our condolences to the families, friends and neighbors of the victims in Sunday's plane crash at Erie Municipal Airport.

I know I am not alone in feeling great sorrow for the loss we have all suffered.

No words can convey the gut wrenching sadness I felt when I received the phone call. I know many of you felt the same when you heard the tragic news.

The entire town has lost a lovely family unit from amongst its neighbors and Erie Middle School and Broomfield High have lost bright eyed boys from their classrooms.

My thoughts are with you: the neighbors/friends, the teachers and students, and the Frasca and Rains-Wedan families.

Over the past few days we have observed the care and concern demonstrated by the small but close-knit community of Erie Airpark. Your compassion is exemplary and a model for all of us – especially at this time.

I would also like to say "Thank you" to the first responders from the Erie Police Department, Mountain View Fire Rescue, Lafayette Fire Department and Louisville Police Department (among others) who made heroic efforts at the scene.

Sincerely,

Mayor Tina Harris
