Pratt Pipeline Right of Way - Activity Notice

April 20, 2015

Representatives from Encana will be going onto the Pratt location during the afternoon of Monday, April 20, 2015 to conduct stormwater control maintenance work along the Pratt well pad pipeline right-of-way. Encana expects this work will take few hours and should wrap up today. Activity associated with this work will include approximately three workers, one to three pick-up trucks. While workers will primarily utilize hand tools, there may be a need to utilize a backhoe.

Encana has notified the CDPHE. Please direct questions to Community Relations at 866-896-6371.
