Active Adult Fitness Class Descriptions

GROUP FITNESS

BARRE FUSION: A unique blend of ballet barre moves, Pilates, and core strengthening exercises. Come challenge yourself with this full body workout that will strengthen, lengthen and sculpt your muscles.

DANCYNERGY - Have fun and express yourself while focusing on flexibility, agility, coordination, balance, both on your feet and on the floor. Low to moderate impact and intensity dance exercise, including some elements of martial arts and yoga.

GENTLE MOVEMENT: This class begins with gentle stretching and range of motion training, followed by balance work, light weight training, and strengthening exercises to increase bone density.

MOVE IT, IMPROVE IT: This research-based exercise class is taught by certified therapists that use Exercise for Brain Change to fight the effects of Parkinson's disease on posture, balance, coordination, voice, attention span, mood and fatigue. Laughter and fun included in every class!!

ZUMBA: A fusion of Latin and International music and dance styles that create an exciting, unique and fun fitness class! The routines feature aerobic interval training with a combination of fast and slow rhythms. "Ditch the workout and join the party."

ZUMBA GOLD: This lighthearted class is specifically designed to take the exciting Latin and international dance rhythms created in the original Zumba program and bring them to the active older adults, the beginner participant, and other populations that may need modifications for success.

MIND BODY

CHAIR YOGA: All levels are welcome in this class! Practice Yoga in a chair or using the chair for support. Work on strengthening and lengthening the muscles while improving balance and muscle mobility.

GENTLE STRETCHING Both beginning and experienced students will benefit from a focus on the fundamentals of stretching in basic postures. Participants will gently explore balance, strength, flexibility while discovering breath to release stress.

NIA: Promotes strength and muscle definition through a fusion of martial arts, healing arts and dance. Its holistic approach unites the body and mind, and creates an exhilarating workout anyone can follow. All Nia movements are adaptable and can be personalized for any level of fitness and ability.

PILATES: Is a rhythmic, focused exercise that connects one movement to the next, building greater endurance, flexibility, control, and core strength.

YOGA: This class is for all levels of yoga participants. Beginner to extensive yoga experience is appropriate for this class in which poses will be taught with suggestions for both minimizing and maximizing intensity. An exploration of forward and backward bends, twists, balance poses, inversions, relaxation and breath work will be included.

SILVERSNEAKERS FITNESS CLASSES

SILVERSNEAKERS CIRCUIT: Combine fun and fitness to increase your cardiovascular and muscular endurance power with a standing circuit workout. Upper body strength work using hand-held weights, elastic tubing with handles, and a ball is alternated with non-impact, aerobic choreography. A chair is offered for support, head to toe stretching, and complete relaxation in a comfortable position.

SILVERSNEAKERS CLASSIC: Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance. Also, a chair is used for seated and/or standing support.

AQUATIC FITNESS CLASSES

WATER AEROBICS: Join us for a total body workout that will physically challenge you! The water provides great resistance and a low-impact workout. This class is for everyone!

LOW IMPACT WATER AEROBICS: Enjoy a fun, relaxing, low impact workout in the water! This class includes cardiovascular conditioning, flexibility, strengthening, and spine stabilization.
