

## What are my other options since Camp Erie is full? Will more spots be opened?

Unfortunately the registration numbers for our summer camp are determined by state licensing and the capacity of the rooms. At this time we cannot add more spots to camp, however we will be enrolling kids off of the waitlist if space becomes available.

Please note, that if your child is placed on the waitlist, there is not a 100% guarantee that we will be able to get them enrolled into Camp Erie. If a spot does become available, you will be contacted immediately by the General Interest Programs Coordinator. From there, you will have **48 business hours** to complete your registration. If you do not complete your registration within the 48 business hour time limit, we will move on to the next waitlisted participant.

While our full-time Camp Erie program has filled, we are also offering many part-time camp offerings throughout the summer through the Erie Community Center. Please visit our link [here](#) for more information.
