

NOTIFICATION:

**Seismic Testing
in Erie will be
conducted
starting the week
of May 3 for
approximately
two weeks
(weather
dependent).**

Seismic Acquisition Services, LLC. (SAS) and **Breckenridge Geophysical, LLC** will conduct seismic testing in your neighborhood and surrounding areas during the week of May 3. The data produced from seismic testing guides planning by oil and gas companies for the development of minerals in areas approved for production. The occurrence of seismic testing operations in your area does not necessarily mean that surface operations will occur anywhere nearby the area being studied or at all.

Access onto private property will only occur where permission has been obtained from the landowner.

For more information on seismic testing, please visit the Town of Erie's oil and gas webpage at <https://www.erieco.gov/129/Oil-Gas-Operations>.

Additional notification will be made to landowners who may be inconvenienced by seismic operations.

***Please contact SAS at 720-668-0052
if you have questions.***
