(First Review, Open Until Filled)
**WHY APPLY**

Situated in the heart of Colorado's major economic and population centers, the Town of Erie rests on the Boulder-Weld county line just north of Denver and east of Boulder. Surrounded by stunningly beautiful landscapes and some of the most amazing outdoor recreational opportunities you can find, Erie also offers easy access to Interstate 70, Denver International Airport, and Colorado's entire Front Range. The City's next Finance Director has the opportunity to take a creative approach in developing new forward-thinking processes and to work closely with both internal and external customers to establish the financial future of the town. This position offers the right candidate an exciting chance to work with and mentor dedicated staff to achieve the Town's goals, and to providing outstanding customer service. If you are looking for a rewarding career opportunity in a growing town with motivated and professional staff, this is the right position for you!

**THE COMMUNITY**

Incorporated in 1874, the Town of Erie was established as a coal mining town that today boasts a rich history in one of the fastest growing areas in Colorado. Jumping from 1,200 residents in 1990 to nearly 30,000 residents today, Erie is home to growing families, young professionals, outdoor enthusiasts, and active adults who are drawn to the Town’s panoramic location, scenic trails, championship golf course, and abundance of recreational activities. With more than 340 days of sunshine per year, residents enjoy hiking, mountain and road biking, fishing, boating, kayaking, skiing, golfing, and more.

For those looking to stay inside, the Town has local award-winning restaurants and breweries, small businesses, and major shopping and entertainment establishments within a 15-minute drive. The Town also has an award-winning 63,000 square foot Community Center and a 20,000 square foot Community Library for residents and visitors to enjoy.

While actively growing, Erie provides a genuine small-town feel, a sense of community, neighbors who care, and a contemporary atmosphere with modern amenities and comforting closeness. Having consistently earned numerous “Safest Places to Live in Colorado” and “Best Place to Raise a Family” awards by multiple magazines and websites, residents enjoy a high quality of life in a safe and vibrant town.

Town employees enjoy playing an important role in making Erie what it is today, and the Town is proud to host many events and festivals each year to bring the community together including the Erie Town Fair and Hot Air Balloon Festival in May, Tails and Ales in June, Concerts in the Park from July through August, and the Country Christmas Parade of Lights in December.

The Town of Erie is serviced by two school districts, Boulder Valley School District and St. Vrain Valley School District, which collectively run 2 charter schools, 2 pre-K schools, 5 elementary schools, 2 middle schools, and 2 high schools in the area. As well, 13 nearby colleges and universities offer world class higher-learning opportunities.

**THE TOWN**

The Town of Erie is a statutory municipality operating under the Town board/Town administrator form of government. The Town's seven Trustees serves as the legislative and governing body of the Town, while the Town Administrator administers the day-to-day operations of the Town. The Mayor serves a two-year term and the six Trustees serve staggered four-year terms.

The Town currently provides a full range of services including Administration, Human Resources, Information Services (IT), Finance, Public Works, Planning and Development, Police and Courts, Parks and Recreation, and Economic Development. The Town currently has 172 full time employees and operates on an annual budget of $137,000,000.
THE DEPARTMENT & POSITION

Operating on an annual budget of $900,000 with 8 FTEs, the Finance Department is comprised of an Accounting division and a Finance division. The Finance Division is currently comprised only of the Finance Manager, though the division is anticipated to grow in the near future. The Accounting Division maintains the Town's accounting system, which includes accounts payable, bank reconciliation, cashier duties, maintaining the general ledger, payroll, and utility billing. The Finance Department is also responsible for answering and directing incoming calls to the Town of Erie, overseeing the annual audit, which is performed by an independent certified public accountant, preparing the annual budget, and tracking fixed assets.

Working under the broad policy guidance and direction of the Town Administrator, the Finance Director performs executive level administrative and professional work in planning, organizing, coordinating, and managing the operations and functions of the Finance department. For a full job description, please view the attachment found here.

OPPORTUNITIES & CHALLENGES

Customer Service: The character and drive of town employees has been instrumental in creating a high functioning organization that has established an outstanding reputation for excellent customer service, internally and externally. The Finance Director will need to actively work with internal and external stakeholders, get input, adjust to people’s needs, and consistently provide the highest quality customer service possible.

Developing New Budget System: The Town operates a budget system that is historically built on spreadsheets. The Finance Director will have the opportunity, along with the Finance Manager to create a new budget process by researching and implementing automated budget tools that will improve the availability and accuracy of financial management information.

Tracking Expenses and Clients: The support systems such as software used by the Finance Department are ready for an in-depth review and a plan for improvements. The Finance Director will be tasked with overseeing the implementation of new, automated systems to track current expenses and developer progress in Town projects.

Ability to Work Independently: The Finance Director will navigate externally, working with other counties, cities, and assessors to develop best practices within the department and ensure the finance department is providing quality services that meet their needs.

Customer Service: The character and drive of town employees has been instrumental in creating a high functioning organization that has established an outstanding reputation for excellent customer service, internally and externally. The new Finance Director will need to actively work with internal and external stakeholders, including the Town Manager, Deputy Town Manager, Department Heads and Board of Trustees get input, adjust to the Town’s needs, and consistently provide the highest quality customer service possible.

New Projects in 2021: The Finance Director will be in charge of long-term finance planning, as well as tax collection for the Town of Erie. This will also require the Finance Director to work with assessors for the two counties who will be assisting with these projects. The Finance Director will also need to work seamlessly with various department directors to create an established long-term financing plan. Additionally, the Finance Director will be tasked with implementation of the new water rate study and completing a utility rate study. As the Town begins to collect revenue from the various Urban Renewal Authorities, the Finance Director will need to create a system for tracking, reimbursing, and anticipating future.

Coaching and Mentoring: The Finance Director will supervise the Accounting and Finance Manager’s which are relatively new positions. This provides an excellent opportunity for the Finance Director to build a team atmosphere, coach, and mentor employees, and implement cross-training within the department.
IDEAL CANDIDATE

**Education & Experience:**
The ideal candidate will have at minimum a bachelor’s degree in accounting, finance, business, or public administration. A master’s degree in a related field and a Certification as a Public Accountant or Public Financial Officer is preferred.
