Hello,

We are writing to let you know about upcoming activity on existing oil and natural gas wells in your area. Please see the map on the reverse side for reference.

Wellbore maintenance will be conducted onsite at the identified locations. The work is scheduled to begin **on or around April 6th** and will take approximately three to four weeks. In an effort to reduce the inconvenience to the surrounding residents, crews will be working on site Monday through Friday during daylight hours only. You may notice a slight increase in traffic and are likely to hear the activity during operations.

Thank you for your patience while we perform work in your community. If you have any questions or wish to report an issue related to our operation, please do not hesitate to contact us via the Anadarko Colorado Response Line at **866.248.9577** or **AnadarkoColorado@anadarko.com**.

When you contact us, please reference this activity by the following name:
BULTHAUP 9-6

 *See reverse side for more details*

- Work is scheduled to begin on or around April 6th.
- This activity will last approximately 3-4 weeks.
- This procedure is regulated by the Colorado Oil and Gas Conservation Commission (COGCC).
- You will see a work-over rig (pictured below), cement trucks, water trucks, and other heavy equipment on location.
- When you contact us, please reference this activity by the following name: BULTHAUP 9-6
