

Anadarko Petroleum Corporation
P.O. Box 173779
Denver, CO 80217

Hello,

We are writing to let you know about upcoming activity on an existing oil and natural gas location in your area. Please see the map on the reverse side for reference.

Four wells are scheduled to be retired from oil and natural gas development. This procedure is commonly referred to as Plug and Abandonment and is regulated by the Colorado Oil and Gas Conservation Commission. During this operation the wells will be plugged, the associated wellheads removed. A work-over rig (pictured on the reverse side) and other heavy equipment will be needed to conduct this operation.

The work is scheduled to begin **on or around October 12** and will take approximately four to five weeks. In an effort to reduce the inconvenience to the surrounding residents, crews will be working on site Monday through Friday during daylight hours only. You may notice a slight increase in traffic and may hear the activity during operations.

Thank you for your patience while we perform work in your community. If you have any questions or wish to report an issue related to our operation, please do not hesitate to contact us via the Anadarko Colorado Response Line at **866.248.9577** or **AnadarkoColorado@anadarko.com**.

When you contact us, please reference this activity by the following name:
